If you are subject to unacceptable behavior, notice that someone else is being subject to unacceptable behavior, or have any other concerns, please notify a Spectra staff member as soon as possible. All reports will remain strictly confidential.

The Spectra staff will be available to help participants contact venue security or local law enforcement, to provide escorts, or to otherwise assist those experiencing unacceptable behavior to feel safe throughout the duration of the hackathon.

Scope

We expect all hackathon participants (sponsors, hackers, volunteers, speakers, attendees, and other guests) to abide by this code of conduct at all hackathon venues and Spectra-related events. Participants asked to stop a hostile or harassing behavior are expected to comply immediately. Hackathon participants seek to learn, network, and have fun. Please do so responsibly and with respect to the right of others to do likewise.

Please contact Spectra staff if you believe you have been harassed or that a harassment problem exists. Spectra staff will determine and carry out appropriate course of action and may consult with and engage other Spectra staff, leaders, and legal counsel, as appropriate. Event security and/or local law enforcement may be involved, as appropriate, based on the specific circumstances. As requested, a follow-up report will be made to individuals who report being harassed.
